

# Diagram of Detector/Cable/Logic connection, 2003-Aug-20, Y.Fujii, KEK

Modules indicated as  will be brought  
Cables indicated as  from Japan.

bring from Japan  
for safety.

to be borrowed  
from Korbel.

Use disc. to re-shape  
and delay DC signals

No ToF measurement.  
Tref=T2. Does not mind L/R

No Beam Gate used.  
Toggle-switch is nice

Many output needed.  
(LRS222 has only one)
