Prof. William Barletta,
Lawrence Berkeley Laboratory,
MS 50-149, 1 Cyclotron Road,
Berkeley, CA 94720, U.S.A.

Dear Prof. Barletta,

Enclosed you will find the manuscript of our paper entitled

"Lorentz Angle Measurement for $CO_2$/Isobutane Gas Mixtures"

submitted to Nuclear Instruments and Methods in Physics Research Section A.

You will also find a set of original figures used in the paper and three copies of the manuscript. We are grateful if you kindly consider our paper for publication in your journal.

My mail address is

Keisuke Fujii
IPNS, KEK
1-1, Oho, Tsukuba
Ibaraki 305-0801, Japan
E-mail address: fujiik@jlcuxf.kek.jp

to which further correspondence should be made.

Thank you very much in advance.

Sincerely yours,

Keisuke Fujii
