1. Proposal; the date of the POSIPOL 2011:

About the date of the POSIPOL 2011, Gao-san proposed September 26th(Mon)-28(Wed).

The proposed date was decided based on the consensus (either "late September" or "very end of August") formed in the last meeting.
(Please look at the minutes of the last meeting which was held on September/2nd.)

No serious confliction with the schedule of other meetings was confirmed. All attendees agreed the proposed date.

About the place, Gao-san asked the attendees their preferences; either IHEP or outside IHEP.
Many attendees preferred IHEP.

The consensus of the meeting;
date: September 26th(Mon)-28(Wed), 2011,
place: IHEP.

2. Program of the IWLC workshop for the Sources WG

Louis-san presented the program of the IWLC workshop for the Sources WG.

Please look at "20101014-Louis_LC_Sources_Talks.pdf".

The proposed program was very tight, because only two days were assigned to the WG parallel sessions and we have many activities. So we will start our sessions at early morning and end at around 17:30.

IMPORTANT NOTICE:

Each "talk" has 30 minutes.

However, the "30 minutes" includes a time for discussions. Therefore, please make your talk within 20 minutes, and remain 10 minutes for discussions.

The date of the next phone meeting will be on December/9th(Thu); 9:00(CET)/17:00(JST).
