

POSIPOL2012 (4-6 September)

Status June 13:

- webpage exists:
<http://www.desy.de/POSIPOL2012>
- So far,
 - 14 registrants
 - Some registrations are 'in preparation' phase
 - We will send around a next remainder soon...
- Conference fee: 80 Euro
 - includes lunch, coffee breaks, dinner
- Accomodation
 - Some possibilities in Zeuthen are reserved, please book asap (Seehotel!!)
 - No possibilities on-site (DESY hostel is blocked for summer students)
- Scientific program
 - Started to put together the topics in detail which should be covered

POSIPOL12: **Draft** scientific program

- Overview of current and new projects
 - **ILC/CLIC, LHeC, LHC, Super-B, PEPPo, Projects at MAMI, ...**
- Undulator sources
- Compton sources
- Hybrid sources
- Source modeling (Spin tracking and manipulation)
- Targets and material stress
 - **Solid, granular, amorphous ... targets**
 - **Prototypes**
 - **Material tests**
- Positron Capture
- Polarimetry
- Conventional source developments
- (X)FEL Projects

Please inform the organizers / programme committee on further ideas, wishes, etc.

POSIPOL12: Excursion

- Currently we try to optimize the afternoon excursion to Berlin
- Possibility 1:
 - **Excursion to Berlin and Dinner on Wednesday, September 5**
- Possibility 2:
 - **Dinner in or near to Zeuthen on Sept 5, excursion to Berlin (open end) on Sept 6**
 - Every Thursday, museum opening hours are extended to 8pm (some to 10pm)
- One afternoon is very short for sightseeing. Perhaps, 2 groups with a choice between two options
We will offer soon the final choice(s)

Short round trip
of ~1 hour
(Friedrichstrasse ↔
Kanzleramt)

Positron Source Group Meeting?

- Will we have a PS Group meeting on Sept 3rd (or Sept 7th) ?
 - **TDR**
 - **Remaining work**
 - **Future plans**
