Summary of the discussions:

1. Agenda of the source session in Asia LCWS (ALCW2015):

Kuriki explained the draft of the source session timetable.
Please look at "alcw2015.source.v0.1.pdf".

The above was the timetable of the source parallel
session on Friday.

Yokoya pointed out that we have the source plenary session
on Thursday, 11:00-12:30. We needed to make the timetable
of the plenary session.

We made discussion on the agenda of the plenary session
and reached the consensus.

The plenary session agenda was decided as follows.

- e- source(short), new development on pol.: X. G. Jin
- e+ source general (undulator&conventional): M. Kuriki
- und. target R/D in US (include budget status): Wei Gai
- footprint compatibility: T. Omori
- Discussion

The detail of e- source R/D and the detail of target R/D
in ANL should be presented in the Friday parallel session.

Shortly after the phone meeting, Kuriki-san made the new draft of the timetable.
It was "alcw2015.source.v0.2.pdf".
It included both the plenary and the parallel sessions.

Reported by T. OMORI

We will have no phone meeting in April, because we will meet at ALCW2015 at KEK/Tokyo. The next phone meeting will be in May. The date of the next meeting will be decided later.
