

POSIPOL 2018 @ CERN

Format: 2.5 day work shop for ~ 30 participants
workshop at CERN using CERN facilities 3-4 half day sessions 18-24 presentations
afternoon outing followed by dinner

Dates: Monday - Wednesday: 27th of August – 29th of August or 3rd of September to 5th of September
Wednesday to Friday: 29th of August – 31st of August

6th of September is a holiday at CERN

CLIC could cover coffee break and organisation
for the outing and dinner would need to be covered by workshop fees

- Peter and Louis would be happy to support this POSIPOL
- would try to get some contribution from FCC and CERN target experts
